Sir

With reference to Government Proceedings &c
271-72 dated 7th June 1892
17
sanctioning an estimate for Rupees 702/- for repairing the Varadarajaswamy's temple at Channapatna, I have the honor to state that the Dy Amildar having been directed to commence the work he reported that no Contractors came forward to take it up when advertised and that when professional men were consulted, they

Estimates to be framed

complained that the rates were very low and that they could not consequently take up the work.

2 The Amildar of the Chennapatna Taluk was then directed to have the work carried out according to the sanctioned estimate. He also reported that owing to the lowness of the rates, Contractors were not forthcoming to take up the work.

3 The Sub Dy Officer's opinion was finally asked for, as to the possibility of the repairs being carried out according to the estimate. The Sub Dy Officer reports that this is an old temple and that the style of construction is of an early date, that it is necessary that professional men should undertake the

work, as otherwise the beauty of the temple would suffer and that the work will not be properly executed.

The Sub Divl Officer also adds that an estimate has been prepared through the Department Public Works, that there is a Draftsman Supervisor at Chennapatna and that it would be advisable to have the work conducted under his supervision through his contractors, at his own rates

4 I would under the circumstances request that the estimate prepared through the Public Works Department for Rupees 2209 may be kindly sanctioned and the execution of the work entrusted to the Department, esc

suggested by the Sub Div
officer.

5 The necessity for executing
the repairs to the Temple
has also been noticed by
the Surgroy Superintendent
and an estimate called
for in No 373 dated 30th
June last. 24 only Rupees
702/ are at present available
at credit of the Temple, I
would solicit that the
balance viz Rupees 1507/
may be granted from the
sum of Rupees 15000/ sanctioned
in Government Proceedings

Memo.

In 1878-79 one ~~Apparaca~~ Appraca Iyengar of Malur, Chennapatna Taluk, took upon lease for 4 years at 6 1/4 Khandies of paddy for a year, the produce of Inam lands attached to the Varadaraja Swami temple and he died shortly afterwards. Rungachar Adhyapaka servant of the temple, who stood surety for the lessee, held the possession of the Inam lands from the beginning and became himself responsible for the produce.

2. Their Rungachar immediately complained to the Taluk and the higher authorities that the neighbouring land-holders had encroached

upon the Inam lands, that a portion thereof was unarable, that water was not procurable for Cultivation and claimed remission on these and other grounds. The enquiry occupied from 1878-79 to 1886-87 and the patta for those years estimated to amount to Rs 322-14-6 fell due. Of this, a sum of Rs 91 was recovered and the balance Rs. 211-14-6 remained uncollected.

3. For the recovery of this balance the lands held by the defaulter in the Dyavarahalli village, Madepalli hobli and their produce and the produce of his other lands in Belkere and Malur villages were brought under attachment

in January 1889

4. In February 1888, the entire records bearing on the subject was referred to the Sub Divisional Officer at Cloupet for enquiry and report as to why the Patta amount for the past 5 years was not recovered and for making proper arrangements for the future cultivation of the Inam lands in the interests of the temple. The Sub Divisional Officer after hearing the defaulters and examining the records forwarded his report* to the following effect :-

* No. 110 dated 29-9-89

5. That as the Kolagai of land were encroached on by the neighbouring land-holders in 1878-79, the proportionate patta of that year viz, 2 Khandies

of paddy should be remitted.

6. That half of the jhata produce should be remitted for the years 1881-82 and 1884-85 on account of the failure of the season.

7. That no jhata produce could be recovered for the years 1887-88 and 1888-89 as there was no water in the tank and lands were laid waste on account of their situation at a long distance from the tank and at the corner of the village and on other grounds.

8. With these concessions, the net jhata produce that had to be recovered was decided to be 48 Khandies for the years from 1878-79 to 1887-88 and the value was estimated to amount to Rs 204 at 4¼ Rs per Khandi. Deducting from these, 4½ Khandies delivered in grain and Rs 91-5-0 paid in Cash (value of grain 4½ Khandies at Rs 4¼ is Rs. 19-13-0 + Rs 91-5-0

equal to Rs. 111-20) only

Rs 92.14 became due. It was reported that this should be recovered from the allowance of Rs 1-11-0 paid to the defaulter for the Adhyapaka Service to be rendered by him in the temple. The suggestion was approved of by the Deputy Commissioner and order were issued to the Taluk to carry them out.

Q. In the interval, the Deputy Amildar reported to the Sub Division Officer that the defaulter to evade payment of the balance amount to the temple, had disposed of his properties

× W.P. '89 of 3/10/89

otherwise. The Sub Divisional Officer ordered that the defaulter was at liberty to dispose of his properties as he liked and that due steps might be taken if the said amount was not paid. It does not however appear from the records that any order was issued from the Taluk for the release of the crops and the lands above alluded to from attachment. They now appear to be in the possession of the Director.

W.P. 205-87 12/10/87

10. The steps subsequently taken for the recovery of the said amount Rs 92-14-0 was proved to be fruitless and

and the defaulter found to be a pauper. This fact was intimated to the Dy. Commissioner from the Sub division.

1950/5/11/91

11. One Janardana Dikupar has petitioned to the district Mazgroi Officer and to the Dewan stating that there are lands in the name of the defaulter Rungachar in Hosur Doddi and Suddi Hosur villages, that he has, to made payment of the Suda amount to the temple, sold the lands, that he is the Archakapaka servant in the temple, that he possesses a share in the Archikship of the Janardanaswami temple

2/8/1/92

at Malar which has Inam lands, that the Petitioner is his brother, that if his right in all these be made over thim (petitioner) he will pay up the arrears and that the alienation of the ~~Said~~ lands may be Cancelled.

12. The lands which the Petitioner refers to are dry Nos. 139, 141, 99 and 128 of the Dyavarahalli village and measure o-11-13 K P assessed at Rs 6.14.5. Of these Nos. 139 and 141 measuring o-6-7¼ K P assessed at Rs. 2.14-7 were transferred by sale to Konda Hoppadé and patta thereof made in his name. The remaining 2 nos. stand in the name of the defaulter but

are enjoyed by the said Konda Neppudi who had purchased the same.

13. The defaulter is the Adhyapaka Servant in the Varadaraja Swami Temple and is in receipt of a monthly allowance of Rs 1-11-0. He scarcely performs the service himself and the amount is paid to the person acting for him.

14. In the Inam lands measuring 3-2-3 (K. K. P.) paying a peishkash of Rs 12/- attached to the Janardana Swami Temple at Malur the defaulter possessed ¼ share jointly with his brother.

15. The petitioner represents that if the right of the defaulter in the said service and the

Inam lands be made over to his possession he will pay up the arrears. The Sub Division Officer to whom the matter was referred x later that transfer of the service is objectionable and in the present instance the defaulter may be dispensed with from his services and another is appointed instead and that the arrears may be recovered from him when he is found to be in good circumstances. x W.o. 61 of 11-7-92

16. One Krishnamachar brother of the defaulter petitioned to his Office stating that he might not be deprived of his right in the said service and the lands but on being enquired

Refused to pay up the arrears

17. Transfer of lands nos 139 & 141 presented by Ranpachar the defaulter on 5-7-1890 was submitted by the then Deputy Amildar with his report No. 281 dated 28-10-91 and is in the records.

18. Sheikdar's report No. 311 of 25-8-91 forwarding a patti shewing the particulars and the enjoyment of the lands in the defaulter's name in the Dyavara halli village. In this patti it is stated that the four numbers had been secured by the defaulter to one Appanna Jeenpar of Malur for Rs 200/- and since held to

Khanda Hoppade. The Deputy Amildar forwarded the above report with his letter No. 176 of 30-8-91 and stated that the lands were in possession of the alienee.

19. Order No. 674 of 7-11-89 was issued from the Dy. Amildar's office to the Malan Shekdar to recover Rs 92.14-0 from Rampathar or deductions will have to be made from the allowance granted to him for the Akhyapaka service. He did not pay the amount and his attendance in person was required. No. 1032 of 22.2-90. After long correspondence he appeared on 12-6-91 and deposed on the 28th. to the effect that he

was not bound to pay the
amount The Dy. Accountant
therefore in his report No. 176
dated 30-8-91 solicited instructions
in the matter bringing at the same
time to notice that immediate
steps were not taken during
his predecessor's time to recover
the arrears from the defaulters'
allowance and that it was
being paid to the person acted
for him and that it would take
a very long time to fully make
up the arrears from the small
allowance of Rs 1-11-0. Further
correspondence then ensued
regarding the explanations of
delays in not having carried
out the orders to make good of

the arrears from the defaulters allowance; and the Sub-Division Officer finally found that no steps could be taken in the matter as the defaulters' other properties had otherwise been disposed of and the fact was intimated to the Dy. Commissioner's No. 195 dated 5-11-91.

20. It would appear from what is stated above that the lands remained up to 1887-88 in the possession of Rungachar the defaulter and that they were left waste in the following 2 years i,e up to 1889-90 for want of water. They were however leased out to one Khanauna for 6 Khandis of paddy but on the condition

of delivering the tenure annually
after the tank was restored.
Meanwhile the Dy. Amildar
requested the Sub Division Officer
for permission to have the lands
cultivated in wara tenure
but it was not granted. vide 95
dated 30-1-91. Hence they remained
fallow up to end of 1891-92.
Recently they have been leased out
for a period of 6 years for an
annual payment of Rs 60/-.
